## "We are a team

of people united by design; sharing a vision we are inspired to create any environment you design"

Our extensive experience in working with corporate coupled with our investments in research and resources allow us to understand user requirements and their patterns of work so we can translate their identity into the spaces we create. With the biggest corporate clientele under our umbrella, we are clearly the market leaders in this arena. Our people strong team comprising of project managers, architects, designers and engineers is led by specialists in each of these fields. Our infrastructure allows us to handle multiple projects simultaneously. We are now looking at taking our expertise further, where we can be the One-Stop Shop for the client, with all aspects of the projects handled internally.

**Rahul Interiors (Formerly Known as Rahul & Co.) is a comprehensive service provider from past 35 Years for interior design, renovation and turnkey project execution. We master excellent and creative interior design and renovation services not only for residential establishment but also for Commercial too.**

## **We build our reputation**

on our efficient and qualified professional expertise, customer satisfaction and the innovative interior design creation which avail to the current trend both classical as well as contemporary interior designs.

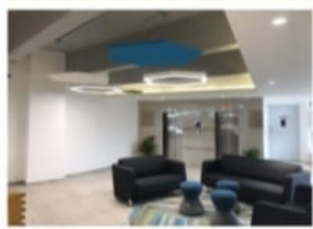

The referrals of our distinguished & satisfied customers prove our reputation. Regardless of the types of establishment, size or designs, our services focus mainly on the quality.

We create interior designs that are suitable for commercial establishments either big or small. We provide creatively that excel other. We offer services with efficiency, on time schedule and professionalism.

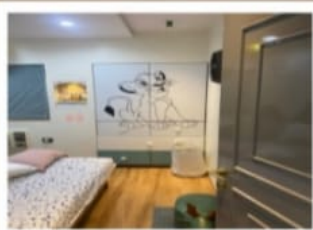

Let's allow us to have our touch in your interior room design, building renovation or home renovation. We always render the best interior designs which are aesthetics as well as well as functionality. This is one of the approaches we take in providing services to our value customers. The customer satisfactions as well as the environmental appreciations are also taking into consideration to meet the expectation of our clients.
